1 8 DEC 1958

Mr. George J. Feldman Director of the Staff of the Select Committee on Astronautics and Space Exploration House of Representatives Washington 25, D. C.

Dear Mr. Feldman:

By letter dated 24 November 1958, the Committee Clerk requested that your Committee be placed on the FBIS mailing list to receive the Daily Report on the USSR and East Europe.

Several days ago, talked briefly with Mr. Beresford concerning some of the problems involved in the distribution of this Report, particularly the labeling of certain translated items for "Official Use Only" because of legal requirements relating to copyright, libel, slander and communications. Since it is believed this Report would be helpful to your staff in carrying out its official functions, we have placed your name as Director of the staff of the Committee on the FBIS mailing list. I should like to point out the warning notice contained on the cover sheet of each copy of the Daily Report with a request for your cooperation.

You should receive your first copies of the Reports within the next few days.

Sincerely,

John S. Warner Legislative Counsel
